#### What is Premium?

As an advertising reseller, what is the most valuable deliverable for your client? ROI - attribution of Dollars to Revenue or Leads to Opportunities.

#### Online Transactions.

Measuring revenue is the num-ber one advertiser KPI. Our team of experts can assist with script programming & consulting to get scripts in place for proper function.

#### Lead Counting.

Capturing higher lead counts, low- ers campaign CPAs. We count web inquiries, calls from ads & calls from websites. A LiveChat add-on increases daily lead capture.

#### Re-marketing.

A major advantage for KPI attribu-tion. Direct & post view conversion captures set us apart, & brings cli- ent appreciation to every meeting. Schedule a call to learn more.

#### Reaching beyond Google.

The web's well known publishers only

comprise about 30% of the Internet. Our media buying strategies cover nearly all internet inventory. We also buy video pre-
